### DEOMI RELEASES 2019 MULTICULTURAL POSTER

**May 15, 2019**

PATRICK AIR FORCE BASE, Fla. – The Defense Equal Opportunity Management Institute (DEOMI) proudly announces the availability of our first multicultural artwork available for download from DEOMI's public website, [www.deomi.org](http://www.deomi.org).

The Department of Defense (DOD) 2019 multicultural poster series is depicted as a single horizontal orientation poster image or three individual posters each in a portrait orientation that can be used individually, or in a coordinated sequence.

This year's poster features multicolored paint splotches, over bleeds, and specks that cover a painter's palette. Each paint cell on the palette includes a photograph of one or more service members or Department of Defense civilians. The many different colors, mixing of colors, and individuals symbolize the many different multicultural, racial, and ethnic characteristics within DOD. The themes for each

poster, 'it's not just black and white,' 'open your palette,' and 'create a culture of possibilities,' can also be used individually or together.

The multicultural concept is meant to honor and celebrate the challenges and achievements of all Americans throughout the history of the United States and their vital contributions to the American story.

You may take the high-resolution poster image file accompanying this news release to your preferred printing facility for display in your organization or use during your special observance program. All DEOMI special observance poster images are high-resolution and may be used to print posters up to 30 x 40 inches.

DEOMI does not have the capability to print or mail posters. All DEOMI observance month poster files are in the public domain unless otherwise indicated.
