DEOMI RELEASES 2019 WOMEN'S HISTORY MONTH POSTER

Feb. 19, 2019

PATRICK AIR FORCE BASE, Fla. – In observance of National Women's History Month, celebrated each year during the month of March, the Defense Equal Opportunity Management Institute (DEOMI) proudly announces the release of original artwork available for download from DEOMI's public website at www.deomi.org.

The theme for 2019 is "Visionary Women: Champions of Peace and Nonviolence."

Women's History Month honors and celebrates the struggles and achievements of American women throughout the history of the United States. This year's theme honors women who have led efforts to end violence and injustice. They have rejected violence as counterproductive and stressed the need to restore respect, establish justice, and reduce the causes of conflict as the surest way to peace. This is represented in the poster with female hands reaching for a dove, the universal symbol of peace.

You may take the high-resolution poster image file accompanying this news release to your preferred printing facility for display in your organization or use during your special observance program. All DEOMI special observance poster images are high-resolution and may be used to print posters up to 30 x 40 inches.

DEOMI does not have the capability to print or mail posters. All DEOMI observance month poster files are in the public domain unless otherwise indicated.
