NEWS RELEASE

DEOMI RELEASES 2020 HOLOCAUST REMEMBRANCE DAY 'DAYS OF REMEMBRANCE' POSTER

April 1, 2020

PATRICK AIR FORCE BASE, Fla. – In observance of the Holocaust Days of Remembrance, the Defense Equal Opportunity Management Institute (DEOMI) proudly announces the availability of original artwork available for download from DEOMI's public website, www.deomi.org.

This year, the Holocaust Days of Remembrance week will be observed from April 19 – 26, 2020. Holocaust Remembrance Day is Tuesday, 21, 2020. This is observed each year during the week of Remembrance that runs from the Sunday before Holocaust Remembrance Day (Yom Hashoah) through the following Sunday.

This year's theme is based on the series of posters commemorating the 75th Anniversary of World War II. Each commemoration poster highlights the significant contributions of special observance groups towards achieving total victory in this watershed event

The Days of Remembrance poster is designed to reflect on the somber remembrance of the atrocities of World War II. Additionally, it reflects upon the liberation that victory brought to many repressed people. The DOR poster is divided into two segments. The top the poster has a dark, black-colored, aged background. Superimposed on the top of the poster is a large "V" for victory. The left arm of the "V" consists of a distressed portion of a vertically hanging American flag with the canton in the upper right. The right arm of the "V" consists of a distressed segment of a concentration or work camp prisoner's uniform of vertical blue and white alternating stripes with a prisoner's identification number.

You may take the high-resolution poster image file accompanying this news release to your preferred printing facility for display in your organization or use during your special observance program. All DEOMI special observance poster images are high-resolution and may be used to print posters up to 30 x 40 inches.

DEOMI does not have the capability to print or mail posters. All DEOMI observance month poster files are in the public domain unless otherwise indicated.
