DEOMI RELEASES 2021 WOMEN’S HISTORY MONTH POSTER

March 1, 2021

PATRICK SPACE FORCE BASE, Fla. – In observance of National Women’s History Month, celebrated each year during the month of March, the Defense Equal Opportunity Management Institute (DEOMI) proudly announces the release of original artwork available for download from our public website at www.defenseculture.mil.

Women’s History Month honors and celebrates the struggles and achievements of American women throughout the history of the United States.

The National Women’s History Alliance theme for this year’s Women’s History Month is “Valiant Women of the Vote: Refusing to Be Silenced.”

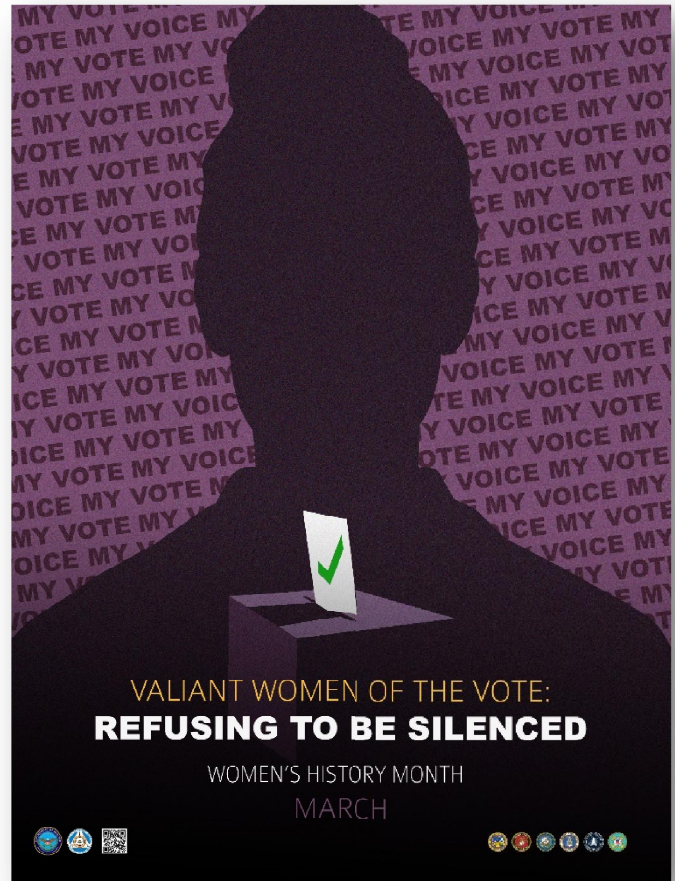

Most Americans enjoy the ability to vote; however, American women were long denied that right. American democracy dramatically expanded when the 19th Amendment to the U.S. Constitution was ratified, prohibiting the states from denying the right to vote on the basis of sex.

Since August 26, 1920, just over 100 years ago, women have had the right to vote.

All DEOMI observance month poster files are in the public domain. All DEOMI special observance poster images are hi-resolution and may be used to print posters up to 30 x 40 inches. DEOMI does not print posters or mail them out to our customers. Users, however, must credit DEOMI when using them.¹

In addition, please check out our website for a wide variety of new products we have prepared to help our Equal Opportunity/Equal Employment Opportunity and Command Climate Professionals in the Field, Fleet, and Wing.

DEOMI develops and delivers innovative education, training, research, and collaborative solutions to optimize total force readiness.

¹Note: The posters may not be used in any manner that would reflect negatively on the Department of Defense (DoD); degrade the name, reputation, or public goodwill of the DoD Components; or be contrary to DoD community relations objectives. Furthermore, use by non-federal entities may not create the appearance of DoD endorsement, affiliation, or sponsorship.
