DEOMI RELEASES 2022 WOMEN’S HISTORY MONTHPOSTER

March 11, 2022

PATRICK SPACE FORCE BASE, Fla. — In observance of Women’s History Month, the Defense Equal Opportunity Management Institute (DEOMI) proudly announces the availability of original artwork available for download from DEOMI’s public website, www.defenseculture.mil.

Women's History Month is a celebration of women's contributions to history, culture and society and has been observed annually in the month of March in the United States since 1987.

The National Women’s History Alliance theme for this year’s Women’s History Month is “*Women Providing Healing, Promoting Hope*,” paying tribute to the ceaseless work of caregivers and frontline workers during this ongoing pandemic and also a recognition of the thousands of ways that women of all cultures have provided both healing and hope throughout history.”

“Women as healers harken back to ancient times. Healing is the personal experience of transcending suffering and transforming it to wholeness. The gift of hope spreads light to the lives of others and reflects a belief in the unlimited possibilities of this and future generations. Together, healing and hope are essential fuels for our dreams and our recovery.”

All DEOMI poster files are in the public domain. All DEOMI special observance poster images are high-resolution and may be used to print posters up to 30 x 40 inches. DEOMI does not print posters or mail them out to our customers. Users, however, must credit DEOMI when using them.¹
