## DEOMI Website Scheduled Maintenance

27 January 2023

Story by U.S. Army SFC Lance Pounds, DEOMI PAO

**PATRICK SPACE FORCE BASE, Fla.** —The Defense Equal Opportunity Management Institute official website is scheduled to undergo several updates on January 28-29, which may affect some customers/visitors.

We are performing these updates during a weekend to minimize potential disruption or delays. During this time, these updates may cause some tabs, drop-down menus, products, and/or links on our website to appear or function improperly.

These updates will improve the overall appearance and functionality our website and provide our website users with a more engaging experience.

We thank you for your patience while we undergo these updates. Please contact the DEOMI Public Affairs Office at (321) 494-2853 if you are unable to find what you are looking for during the scheduled update.

*The DEOMI team is an inclusive force that values and develops all individuals and thrives on their contributions. Since its inception in 1971, then known as the Defense Race Relations Institute, DEOMI has developed and delivered innovative education, training, research, and collaborative solutions to approximately 52,000 DEOMI military and civilian graduates.*
