Childhood Cancer (Gold)

Epilepsy (Lavender)

Asthma (Gray)

Cerebral Palsy (Green)

Autism (Mix)

Developmental Disability (Orange)

Spina Bifida (Yellow)
What assumptions do people make about you when they see you? What’s the truth?

Just because I am ________________________ people think I ______

___________________________________________________________________

___________________________________________________________________

___________________________________________________________________

___________________________________________________________________

___________________________________________________________________

__________________________________________________________________.

Have you ever made an assumption about someone else?

___________________________________________________________________

___________________________________________________________________

___________________________________________________________________

___________________________________________________________________

___________________________________________________________________

__________________________________________________________________.

What did you discover was the truth?
