PRIDE MONTH

JUNE

be PROUD OF  
WHO YOU  
ARE

June is *Pride Month*. What does this mean?

Pride Month is the celebration of the LGBTQ+ community and the LGBTQ+ rights movements.

The month was chosen to commemorate the 1969 Stonewall riots. This uprising marks the beginning of a movement to outlaw discriminatory laws and practices against LGBTQ+ Americans.

"Share our similarities,  
celebrate our differences."

**COMPARING** is looking at traits that things have in common, while **CONTRASTING** is looking at how they differ from each other.
